SPECIAL CHAPTERS In addition to the usual review of the recent world food and agriculture situation, each issue of this report from 1957 has included one or more special studies of problems of longer-term interest. Special chapters in earlier issues have covered the following subjects:

The state of food and agriculture, 1983

IISD REPORT E 12 2012 The International Institute for Sustainable Development Measuring the Performance and Impact of Community Indicators Systems: Insights on frameworks and examples of key performance indicators

Measuring the Performance and Impact of Community

1.. Introduction The United Nations (2001) estimated that the level of urbanisation in Europe will increase to almost 80% by 2015, compared to 75% in 2000. Urban growth, by altering cities and the surrounding countryside, presents numerous challenges for the maintenance of urban green space, and consequently also for human health and well-being.
