

translation and the untranslatable pdf

Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (not all languages do) between translating (a written text) and interpreting (oral or sign-language communication between users of different languages); under this distinction, translation can begin only after the ...

Translation - Wikipedia

Technical translation is a type of specialized translation involving the translation of documents produced by technical writers (owner's manuals, user guides, etc.), or more specifically, texts which relate to technological subject areas or texts which deal with the practical application of scientific and technological information. While the presence of specialized terminology is a feature of ...

NOTE: This blog resumed on November 22 after a four-month break, in part due to the need to stand back from day-to-day events in Catalonia and the Spanish state and analyse the strategic debate within the movement for Catalan sovereignty (see here for article). From now on this blog will focus less on day-to-day news of the Catalan right to self-determination, which is more than adequately ...

Live Blog: News and analysis on Catalonia's struggle for

1 Introduction. This chapter explains the goals sought in the creation of GNU gettext and the free Translation Project. Then, it explains a few broad concepts around Native Language Support, and positions message translation with regard to other aspects of national and cultural variance, as they apply to programs.

Maigret on Hallmark 1/5/02 - I noticed about two hours too late that Maigret was on the Hallmark channel again at 5:00 pm GMT today. I don't know if it has been on in recent weeks, nor how long the series will continue. However, according to the Sky Guide, there will be another episode next Saturday at the same time, but it doesn't have details of programmes due to appear more than one week later.
