The United States Army Air Forces (USAAF or AAF), informally known as the Air Force, was the aerial warfare service of the United States during and immediately after World War II (1939/41â€“1945), successor to the previous United States Army Air Corps and the direct predecessor of the United States Air Force of today, one of the five uniformed military services.

United States Army Air Forces - Wikipedia

The United States Army Air Corps (USAAC) was the aerial warfare service of the United States of America between 1926 and 1941. After World War I, as early aviation became an increasingly important part of modern warfare, a philosophical rift developed between more traditional ground-based army personnel and those who felt that aircraft were being underutilized and that air operations were ...
