"Vision in Action". Five years ago, a vision began to take shape "a vision for making our community better by giving at-risk boys tools to succeed in the classroom and in life. This vision was audacious: inspired by the conviction that investing in the academic success of young men in North Omaha will lead to community-wide transformation.

questions). Work in small groups (especially when working with a large group of people). After each group has answered the questions and shared them with the larger group, have them craft a vision statement that embodies these answers. Small groups would then work as a big group to combine the parts of each vision statement that they like best.
