wealth and democracy how pdf

The distribution of wealth is a comparison of the wealth of various members or groups in a society. It shows one aspect of economic heterogeneity. The distribution of wealth differs from the income distribution in that it looks at the economic distribution of ownership of the assets in a society, rather than the current income of members of that society. According to the International ...

Distribution of wealth - Wikipedia

Wealth is the abundance of valuable resources or valuable material possessions. This includes the core meaning as held in the originating old English word *weal*, which is from an Indo-European word stem. An individual, community, region or country that possesses an abundance of such possessions or resources to the benefit of the common good is known as wealthy.
