model empowers teachers to track student learning from any web-browser or tablet. Students can learn online individually, with a parent or in class. Middle school: We provide computer science and program-ming activities that integrate into existing math and science courses. â€œœ have never, ever seen my students so excited about learning ...

### **Every student in every school should have the opportunity**

About 30 percent of cases are overturned on appeal, so every appeal does carry some risk. Further, appeals are expensive, take time, and exacerbate what may already be significant litigation fatigue. Finally, appellate mediation offers the parties, once again, the opportunity to create a better solution than a court can provide.
