A think tank, think factory or policy institute is a research institute/center and organization that performs research and advocacy concerning topics such as social policy, political strategy, economics, military, technology, and culture. Most policy institutes are non-profit organisations, which some countries such as the United States and Canada provide with tax exempt status.

Illusory superiority's relationship with self-esteem is uncertain. The theory that those with high self-esteem maintain this high level by rating themselves highly is not without merit—studies involving non-depressed college students found that they thought they had more control over positive outcomes compared to their peers, even when controlling for performance.
