The Sleeper Awakes (1910) is a dystopian science fiction novel by English writer H. G. Wells, about a man who sleeps for two hundred and three years, waking up in a completely transformed London where he has become the richest man in the world. The main character awakes to see his dreams realised, and the future revealed to him in all its horrors and malformities.

The Sleeper Awakes - Wikipedia

Graham falls into a coma and wakes up after two hundred years to find himself the master of the world. This is a dystopian novel like "Brave New World" and "1984", but is more action-packed. I enjoyed the nightmarish atmosphere of the story.
