What this report finds: Black-white wage gaps are larger today than they were in 1979, but the increase has not occurred along a straight line. During the early 1980s, rising unemployment, declining unionization, and policies such as the failure to raise the minimum wage and lax enforcement of anti-discrimination laws contributed to the growing black-white wage gap.

Black-white wage gaps expand with rising wage inequality

The most common reason for contact with the police is being a driver in a traffic stop. BJS measures the nature and extent of traffic stops through the Police-Public Contact Survey (PPCS), which interviews U.S. residents about their contacts with police during the previous 12 months.
