

women first mothers second pdf

Spartan women seem to have married relatively late relative to their counterparts elsewhere in Greece. While Athenian girls might have expected to marry for the first time around the age of fourteen, Spartan women normally married at around the age of 18 to Spartan men closely related in age.

Women in ancient Sparta - Wikipedia

Women's suffrage in the United States of America, the legal right of women to vote, was established over the course of more than half a century, first in various states and localities, sometimes on a limited basis, and then nationally in 1920.. The demand for women's suffrage began to gather strength in the 1840s, emerging from the broader movement for women's rights.
