women s position and demographic change | Download eBook

A collection of papers from a conference held by the International Union for the Scientific Study of Populations, this book is wide-ranging and explores a variety of ways in which the position of Read more...

Women's position and demographic change (Book, 1993

development, while bringing economic growth gains, will not fundamentally change the position and situation of women. It is important to note that while gender equality will help bring economic growth, economic growth will not necessarily bring gender equality. Advancing gender equality requires strengthening different dimensions of

Women's role in economic development: Overcoming the

While discussion continues about how women's position affects demographic outcomes, much less has been said about the relationship in the other direction i.e. the implications of the demographic transition for women. Outside the European/American context at least, Mason (1997) states that this relationship is as yet poorly understood.

Women's changing roles in the context of the demographic

The conceptual approach of The World's Women 2010: Trends and Statistics is in line with those published since 1991 to present and analyse statistics on the status of women. It highlights the differences between the status of women and men in various areas of contemporary life; statistics on men figure as prominently as statistics on women.

The World's Women 2010 - UNSD

The World's Women 2015 comprises eight chapters covering critical areas of policy concern: population and families, health, education, work, power and decision-making, violence against women, environment, and poverty.

The World's Women 2015 - United Nations

Demonstration of the demographic structure of the society. Horizontal x-axes: the life years of women and men alike. The basic unit of this category may be a single year or groups of more years. Vertical (value) y-axes: the number of persons of each age group. Changing the axes: the vertical one will show the age categories.
