Social theories are analytical frameworks, or paradigms, that are used to study and interpret social phenomena. A tool used by social scientists, social theories relate to historical debates over the validity and reliability of different methodologies (e.g. positivism and antipositivism), the primacy of either structure or agency, as well as the relationship between contingency and necessity.

The Lowell Mill Girls were young female workers who came to work in industrial corporations in Lowell, Massachusetts, during the Industrial Revolution in the United States. The workers initially recruited by the corporations were daughters of propertied New England farmers, typically between the ages of 15 and 35. By 1840, at the height of the Industrial Revolution, the textile mills had ...
